

School of Engineering, UCC

Dr Elmer Morrissey Memorial Scholarship

Application Form

This scholarship was created in memory of Elmer Morrissey, a man characterised by his total commitment to everything he did. This was particularly evident during his university years. Not only did he dedicate himself to his own academic endeavours, but he also gave generously of his time to help his classmates. He became a prominent and lauded figure in many clubs and societies, all the while spreading his unique joie de vivre to everyone around him.

The scholarship will be awarded to a student, who not only demonstrates academic ability, but has contributed significantly and positively to student life.
